# Monotype FontExplorer® X Pro

Version: 3.5.3 (Build 13929.5)

The screenshot shows the FontExplorer X Pro application window. The main window has a menu bar (File, View, Font, Server, Tools, Help) and a toolbar with icons for Import, Export, Activation, Show, and Change. A search bar for font names is located in the top right. The left sidebar contains a 'Library' section with 'Fonts' (3 items), 'Windows Fonts...' (3 items), 'Last Imported', and 'Conflicts'. Below this are 'Cloud Fonts' (SkyFonts, Typekit) and a 'Store' section with links to Fonts.com, Linotype.com, MyFonts.com, FontShop.com, and Monotype Enterprise. The main area displays the 'FontExplorer X Pro' window for the 'Arial' font. It shows a 'License' document icon and the following details: Status: Valid from 1/1/1970 until 1/1/1970; Product: ; Seat Count: 0; Company: ; Name: ; E-Mail Address: ; Serial Number: . Below this, a section titled 'Select the licensing method that best fits your needs!' offers two options: 'Select your already purchased license file to apply it. Click "Buy" if you wish to purchase a new license or upgrade your current one.' with 'Select...' and 'Buy...' buttons; and 'Do you already have a Fonts.com subscription which includes a license for FontExplorer X Pro? "Sign in" to apply your license or "Learn More" about this option.' with 'Sign in...' and 'Learn More...' buttons. At the bottom of the dialog are 'Remove License...' and 'Close' buttons. The right sidebar shows a list of font families, with 'Arial' selected. The bottom of the main window shows a 'My rating' section with five stars and a 'Label' section with a color picker.
